6. (1) The Government shall be bound to pay to any person registered for the time being as a stockholder the principal sum represented by his registered stock, and the interest due thereon, at the rate and on the dates specified in the prospectus relating thereto or, where an option to redeem such stock at an earlier date is reserved by direction of the Minister in such prospectus, in pursuance of such option.

   (2) Where any amount has become payable on any date as interest due on any registered stock, no interest on that amount shall, after that date, be paid or payable to any person in any circumstances.

7. (1) No person shall be entitled to any registered stock unless he is registered as a stockholder in respect thereof.

11. Interest which has fallen due in respect of any registered stock at the date of any transfer of such stock, but which has not been paid to the stockholder for the time being, shall not be deemed to be payable to a transferee of that stock unless the instrument of transfer expressly provides for the payment of that interest to that transferee.

12. The register relating to any stock shall be closed for a period of twenty-one days immediately preceding each date upon which interest on that stock falls due and no transfer of that stock shall be registered during that period.

13. Entries in a register shall be conclusive evidence of the facts, matters, particulars and transactions to which those entries relate, and a copy of any entry in a register shall, if certified under the hand of any person thereunto authorised by the registrar to be a true copy of such entry, be admissible in evidence in any proceedings before a court.

20. Save in so far as any provision thereof is inconsistent with these Regulations, the Local Loans (Registered Stock) Regulations shall apply, mutatis mutandis, in relation to any stock to which these Regulations apply as those Regulations apply in relation to stock issued under the Local Loans (Registered Stock and Securities) Act, and any reference in those Regulations to the Minister shall, for the purpose of this regulation, be read and construed as a reference to the registrar.

21. The signature of the registrar may be printed, stamped, engraved or impressed by any mechanical process on any stock certificate, and a signature so printed, stamped, engraved or impressed shall be as valid as if it had been inscribed under the hand of the registrar.

(2) Where an amount has become payable on any date as interest due on any registered stock or bonds, no interest on that amount shall, after that date, be paid or payable to any person in any circumstances.

19. No person shall be entitled to claim interest on any registered stock or bonds in respect of any period which has elapsed after the earliest date on which demand could lawfully have been made for the payment of the principal amount due on such stock or bonds.
20. Interest which has fallen due in respect of any registered stock or bonds at the date of any transfer of such stock or bonds but which has not been paid to the holder for the time being of such stock or bonds shall not be deemed payable to a transferee of such stock or bonds unless the instrument of transfer expressly provides for the payment of that interest to that transferee.

21. All payments of interest and all payments of the principal amount due on any registered stock or bonds shall be made by the Bank of Zambia.

22. The liability of the Government in respect of any registered stock or bonds redeemed on or after the date on which payment of the principal amount becomes due shall be discharged after the lapse of six years from that date.

(3) The posting of a letter containing a warrant sent by the registrar in pursuance of these Regulations addressed to any person at the last address furnished by that person to the registrar shall, as regards the liability of the Government and of the registrar, be equivalent to the delivery of the warrant to the person to whom the letter was addressed.

(4) Where in pursuance of these Regulations or in accordance with any authority given thereunder any payment is to be made by the registrar to a firm or a body of persons whether corporate or unincorporate, a receipt for the payment given by any person purporting to be an agent or officer of that firm or body and to be authorised to receive the payment shall be a full discharge to the Government and the registrar for the amount paid.

(6) A receipt for the payment of interest on any stock or bonds which is given by any one of two or more joint holders of such stock or bonds shall, unless notice in writing to the contrary has been received by the registrar from any other joint holder of such stock or bonds, be a full discharge to the registrar and the Government for the payment of that interest.

Provided that any payment duly made by the registrar under these Regulations in compliance with an authority given under this regulation shall, notwithstanding the revocation or determination of such authority, be deemed for all purposes to be a valid payment unless notice in writing of the revocation had been received by, or the death, bankruptcy or disability had come to the knowledge of, the registrar at the time when the payment was made.
