(1) An authorised officer may enter on any land, farm or ranch or into any stable, pen, sty or outbuilding or any kraal, enclosure or vehicle and may take with him such persons, animals and things as he may deem necessary for the purposes of inspecting or examining any stock, carcass, article or vehicle or doing or causing to be done or supervising and inspecting the doing of anything which is required to be done under this Act or under any order made under the provisions of this Act.

Power of entry

(2) Any person who prevents an authorised officer from entering on any land, farm or ranch or into any sty or outbuilding or any kraal, enclosure or vehicle or who impedes or obstructs an authorised officer in doing anything which he is empowered to do under the provisions of subsection (1) shall be guilty of an offence.

9. (1) An authorised officer may instruct the owner of any stock to assemble the stock or any part thereof at any specified place for the purposes of inspection or inoculation, or for any purpose authorised under the provisions of this Act or under any order made under the provisions of this Act.

Power to order collection of stock

The Laws of Zambia

(2) Any instruction issued in accordance with the provisions of subsection (1) to the headman of a village shall be deemed to be an instruction to every owner of stock in such village:

Provided that such notice is issued in writing and in such language or dialect as is commonly spoken by or understood among the majority of the inhabitants of such village.

(3) The headman of a village to whom an instruction is issued in accordance with the provisions of subsection (2) shall forthwith take all reasonable steps to communicate the contents of the instruction to every owner of stock in such village.

(4) Any person who-

(a) fails to comply with any reasonable instruction given under subsection (1) or (2);

(b) fails to communicate the contents of an instruction in accordance with the provisions of subsection (3);

shall be guilty of an offence.

(5) Proceedings in respect of an offence under this section shall not be taken without the written consent of the Director.

10. (1) Stock in transit by train within or through Zambia shall be under the control of such person as the railway company conveying the stock shall appoint, and, in default of such appointment, the guard of the train conveying such stock shall be deemed to be the person in control of the stock.

Person in control of stock in transit

(2) Stock in transit within or through Zambia by any road vehicle shall be under the control of such person as the transporter shall appoint, and, in default of such appointment, shall be deemed to be under the control of the driver of the vehicle.

11. A railway company carrying any stock by rail or the owner of any vehicle which at any time carries stock for hire or reward shall maintain a record of all such stock carried showing the dates on which such stock was carried, the type and numbers of stock and the names and addresses of consignors and consignees and shall, during a period of six months after the date of carriage, make such record available on request to an authorised officer.

Records to be kept by carriers

12. (1) No action shall be brought against any authorised officer in respect of any act done by him in good faith in the execution or supposed execution of the powers vested in him under this Act, or in respect of any act done by him in good faith in carrying out or purporting to carry out the terms of an order made under this Act.

Indemnity

The Laws of Zambia

(2) No action shall be brought against any person who is not an authorised officer in respect of any act done in good faith and without negligence by such person in compliance with the provisions of this Act or any direction or order given or made under this Act.

13. Where any stock is slaughtered under the provisions of this Act or any order made thereunder, the owner shall, unless the Minister gives in writing to the owner his reasons for refusing, be paid compensation from such funds as may be appropriated by Parliament for this purpose for such stock, if he proves to the satisfaction of the Minister that the stock was not suffering from disease at the time of its slaughter. Compensation

(As amended by G.N. No. 319 of 1964)

14. Any person guilty of an offence under the provisions of this Act or any regulation or order made thereunder shall be liable to a fine not exceeding three thousand penalty units or to imprisonment for a period not exceeding six months, or to both. Penalty

(As amended by Act No. 13 of 1994)

15. (1) For the purpose of carrying out the provisions of this Act, the Minister may, by statutory instrument, make regulations concerning any of the following matters: Regulations

- (a) regulating or prohibiting the introduction into Zambia of any stock, carcass, article or vehicle;
- (b) regulating or prohibiting the movement of any stock, carcass, article or vehicle within any portion of Zambia or providing for the compulsory branding of any stock;
- (c) providing for the compulsory disinfection, whether by inoculation, dipping or otherwise, of any stock, carcass, article or vehicle, within any portion of Zambia;
- (d) providing for the disinfection of any place or building suspected of being infected with any disease within any portion of Zambia;
- (e) prescribing the circumstances under which stock, whether such stock is suspected of being affected with disease or not, may or shall, as the case may be, be destroyed and the manner in which and by whom such destruction shall, or may, be carried out and the manner in which carcasses shall be disposed of;
- (f) regulating or prohibiting the importation into or manufacture or distribution within Zambia of any virus, vaccine, serum or analogous product used for the diagnosis or treatment of stock diseases of animals, or of any animal semen;

- (g) generally for the prevention and control of disease;
- (h) prescribing the fees to be paid for anything done or to be done under this Act.

(2) Any such regulations may provide that any person who contravenes or fails to comply with such regulations shall be guilty of an offence against this Act, and may further provide that, unless some other penalty is in such regulations specifically provided therefor, such person shall be liable to a fine not exceeding three thousand penalty units or to imprisonment for a period not exceeding six months, or to both.

(As amended by G.N. No. 319 of 1964 and Act No. 13 of 1994)

SECTION 15-THE STOCK DISEASES REGULATIONS

Government Notices
443 of 1963
497 of 1964
Act 13 of 1994

Regulations by the Minister

1. These Regulations may be cited as the Stock Diseases Regulations. Title
2. In these Regulations, unless the context otherwise requires- Interpretation
 - "hide" means the untanned skin of any stock;
 - "quarantine station" means a quarantine station set forth in the Second Schedule;
 - "veterinary district" means one of the districts, set out in the First Schedule, into which Zambia is divided for the purposes of these Regulations.
3. (1) For the purposes of these Regulations, Zambia shall be divided into the veterinary districts described in the First Schedule. Veterinary districts
 - (2) No stock shall be moved into or out of a veterinary district without a permit issued by a Veterinary Officer or other person authorised by the Director.

The Laws of Zambia

(3) Any person who contravenes or fails to comply with the provisions of sub-regulation (2) shall be guilty of an offence.

4. (1) The areas described in the Second Schedule shall be quarantine stations into or out of which no stock shall be moved without a permit issued by an authorised officer. Quarantine stations

(2) If any person moves into or out of any quarantine station any stock without a permit issued by an authorised officer, he shall be guilty of an offence.

5. (1) No person shall introduce or cause to be introduced into Zambia any stock, carcass, article or other matter specified in the Third Schedule without a permit issued by the Director or an officer authorised by the Director. Such permit may be refused at the discretion of the Director without any reason being assigned. Importation of stock and specified articles

(2) No person shall introduce or cause to be introduced into Zambia any article specified in the Fourth Schedule without a certificate from a Veterinary Officer of the country from which the article originates, stating that there has been no case of East Coast fever in the district of origin during the two years immediately preceding the issue of such certificate and no foot and mouth disease nor African swine fever in the district of origin during the six months immediately preceding the issue of such certificate and that, in his opinion, the movement of the article is free from risk of spreading any disease.

(3) No person shall introduce or cause to be introduced into Zambia any article specified in the Fifth Schedule without a certificate from a Veterinary Officer of the country from which the article originates, stating that there has been no foot and mouth disease nor African swine fever in the district of origin during the six months immediately preceding the issue of such certificate.

(4) Any person who contravenes or fails to comply with any of the provisions of this regulation shall be guilty of an offence.

6. When it is stipulated in any permit that any stock shall be held in quarantine in any Government quarantine station the following provisions shall apply: Conditions of quarantine

- (a) the owner, if required, must provide, if requested to do so by an authorised officer, for each animal upon its arrival at the quarantine station, a strong head collar provided with a ring to which can be fastened a rope, riem or chain for the purpose of tying up the animal, and all bulls over twelve months of age must be ringed;
- (b) the owner may, if he so wishes, send an employee or employees to look after his stock during the time it is in quarantine. Such employee or employees shall be under the orders of the officer in charge of the quarantine station and shall comply with all instructions given to him or them and shall leave the quarantine station at the request of the said officer;
- (c) if, in the opinion of a Veterinary Officer, any stock at any time during its period of quarantine shows symptoms of a disease, the Veterinary Officer may, subject to the approval of the Director, order its destruction and that of any animal with which it has been in contact;
- (d) fees in respect of stock held at a Government quarantine station or removed to or from such station in quarantine shall be payable as prescribed in the Sixth Schedule.

7. (1) The owner of the carcass of any stock which has died, or may reasonably be suspected of having died, of any disease shall take all reasonable steps to ensure that no person other than a Veterinary Officer or person authorised by a Veterinary Officer in the course of his official duties or a veterinary surgeon in the course of his professional duties shall mutilate such carcass in any way: Disposal of carcasses

Provided that it shall be lawful for the owner of such carcass to take a blood or lymph gland smear and to incise an ear vein or puncture a superficial lymph gland, as the case may be, for this purpose.

(2) The owner of any carcass to which sub-regulation (1) applies shall, unless otherwise directed by a Veterinary Officer, forthwith dispose of the said carcass by burial at a depth of not less than six feet.

(3) For the purposes of this regulation, "owner" shall include any person or persons in control of a carcass.

(4) Any person who contravenes or fails to comply with the provisions of sub-regulation (1) or (2) shall be guilty of an offence.

8. (1) The Director, or any other officer authorised by the Director, may order that stock which at the date of such order is within or shall subsequently within a period of time specified in such order enter any part of Zambia shall be forthwith inoculated or branded or both inoculated and branded. Inoculation and branding

(2) Every order issued under sub-regulation (1) shall-

- (a) if it affects stock in any area within the jurisdiction of a rural council, be in writing and signed by the issuing officer and shall be delivered to the rural council of the area concerned, and such delivery shall be deemed to be sufficient notice of such order to all owners and persons in control of stock which is within the said area; and
- (b) if it affects stock in any other area of Zambia, be made by notice in writing delivered to the owner or any person in charge of the stock.

(3) Such inoculation or branding or both inoculation and branding shall be carried out in accordance with the directions contained in such order or as may be given by a Veterinary Officer.

(4) In pursuance of any order made under this regulation, a Veterinary Officer may inoculate or cause to be inoculated and may brand or cause to be branded any stock.

(5) If a Veterinary Officer is of opinion that any inoculation or branding has not been carried out in a satisfactory manner, he may require either or both operations to be repeated until he is satisfied therewith.

(6) If the owner of any stock to which an order made under the provisions of sub-regulation (1) relates, fails to inoculate or brand or both inoculate and brand in accordance with the provisions of this regulation, he shall be guilty of an offence.

9. (1) Any permit relating to the movement of any stock, carcass or article and issued pursuant to the provisions of the Act or any regulation or order made thereunder shall be in writing and signed by the issuing officer and shall contain-

Movement permits

- (a) the name of the person to whom such permit is issued;
- (b) the number and description of the stock, carcass or article which may be moved by virtue of such permit;
- (c) the dates between which such permit shall be valid; and
- (d) the areas between which such movement may take place.

The Laws of Zambia

(2) Any permit issued pursuant to the provisions of the Act or any regulation or order made thereunder may be issued subject to such conditions as to quarantine, isolation, disinfection, detention, route to be followed, control of stock or other like matter as the issuing officer in his discretion may specify therein.

(3) The person in control of any stock, carcass or article being moved under the authority of any permit to which this regulation refers shall have such permit in his possession and shall produce the said permit to any of the following persons on request by such person:

- (a) any Veterinary Officer;
- (b) any Livestock Officer;
- (c) any Assistant District Secretary;
- (d) any police officer;
- (e) any person authorised by the Director thereto; or
- (f) the owner or occupier of any farm over which movement of the said stock, carcass or article is taking place.

(4) Any person empowered to issue a permit to which this regulation refers and any Assistant District Secretary may cancel, vary or amend such permit by endorsement thereon or by notice in writing to the grantee thereof.

(5) If any person contravenes, or fails to comply with any condition specified in a permit or with the provisions of sub-regulation (3), he shall be guilty of an offence.

10. (1) No person shall manufacture or sell or expose for sale in Zambia any virus, vaccine, serum or analogous product used for the diagnosis or treatment of diseases of animals, except under a permit in writing issued by the Director.

Manufacture and
import of virus and
vaccine

(2) A permit to manufacture or sell or expose for sale any of the substances mentioned in sub-regulation (1) shall be subject to such conditions as the Director may endorse on the permit.

(3) Any person who contravenes or fails to comply with-

- (a) the provisions of sub-regulation (1); or

The Laws of Zambia

(b) any condition endorsed on a permit in accordance with sub-regulation (2); shall be guilty of an offence.
