## COMMUNIQUE

### CONDEMNATION OF THE TERROR ATTACK IN KENYA

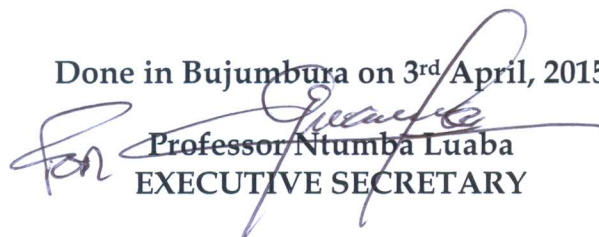

The International Conference on the Great Lakes Region (ICGLR) has learnt with deep sadness of the reported death of 147 and more than 79 wounded resulting from the cold-blooded act of terror attack at Moi Garissa University College, in Kenya. In this respect, the ICGLR strongly condemns the barbaric, primitive and cowardly act of terrorism.

The ICGLR expresses its heartfelt sympathy and condolences to His Excellency Uhuru Kenyatta and through him to the Government, the people of Kenya and the bereaved families and friends.

The ICGLR assures its support and solidarity to the Government and people of Kenya during this terrible moment of desperation by terrorist elements to break Kenya's resolve to support Global anti-terrorism fight and the on-going AU stabilization Mission in Somalia (AMISOM).

The ICGLR hopes that calm and unity will continue to prevail in Kenya as this painful situation is being resolved and the Government of the Republic of Kenya will remain steady in its commitment to the global anti-terrorism fight.
