Your Committee, therefore, directs that the Council immediately responds in full to all the queries raised by the Auditor General.

Further, in view of the failure by the Council to respond to the queries, your Committee calls upon the appropriate investigative agencies to probe this matter thoroughly and take all necessary action.

iii. Uncollected Land Fees from the Sale of Plots

Committee's Observations and Recommendations

Your Committee notes the response and urges the Council to ensure that all land fees from the sale of plots are collected without undue delay. Your Committee awaits a progress report on the matter.
