## **Objectives and Background of the Parliamentary Service Bill N.A.B. No. 4 of 2016**

5.0 The objects of the Bill are to provide for the functions of the Parliamentary Service; the membership, functions, operations and financial management of the Parliamentary Service Commission; and the transfer of staff and continuation of their service under the Parliamentary Service.

### **Background**

6.0

### **Salient Provisions of the Bill**

7.0 The salient provisions of the Parliamentary Service Bill N.A.B. No. 4 of 2016 are set out hereunder.

#### **Clause 2 - Interpretation**

The clause provides for definitions of key words including the definition of the words "associate" and "relative". The purpose of these definitions is to enhance transparency, fairness and address possible conflict of interests. A relative and an associate of a member of a Tribunal are expected to disclose any interest in any matter before the Tribunal.

#### **Clause 3 - Continuation and renaming of Revenue Appeals Tribunal**

This clause continues the existence of the Revenue Appeals Tribunal

and renames it as the Tax Appeals Tribunal.

#### **Clause 4 - Composition of the Tribunal**

This clause seeks to provide for the appointment and composition of the Tribunal, provide for tenure and vacancy of the office of membership and for their remuneration and allowances.

#### **Clause 5 - Functions of the Tribunal**

This clause stipulates the functions of the Tribunal which shall include the determination of appeals from decisions of the Commissioner-General under the Customs and Excise Act, the Income Tax Act, the Property Transfer Tax Act, the Value Added Tax and other tax legislation and to hear any other matter prescribed by the Minister by statutory instrument. The functions of the Tribunal have been enhanced from the current position as its mandate has been expanded to hear all other matters that are tax related as shall be prescribed by the Minister.

#### **Clause 6 - Registrar of the Tribunal**

The clause seeks to provide for the appointment of the Registrar to the Tribunal. It also spells out the functions of the Registrar. The clause in addition provides the mode of appeal in an event that a person is aggrieved by a decision of the Registrar.

#### **Clause 7 - Appeal to Tribunal**

This clause provides for appeal to the Tribunal for determination on any matter which falls within the jurisdiction of the Tribunal and that any documentation required for filing must be filed in the office of the Registrar.

#### **Clause 8 - Proceedings of the Tribunal**

The clause seeks to provide for detailed proceedings of meetings of the Tribunal. The clause provides for who shall preside over meetings, place of meetings and states that all hearings of the Tribunal shall be deemed to be judicial proceedings.

**Clause 9 - Powers of Tribunal with respect to Proceedings**

This clause seeks to provide for powers of the Tribunal in relation to the proceedings before it.

**Clause 10 - Decision of the Tribunal**

This clause provides for a time frame within which a decision of the Tribunal shall be delivered. The decision on any matter shall be rendered within sixty days after the conclusion of the matter.

**Clause 11 - Costs**

The clause provides that the Tribunal may make orders relating to costs and empowers the Registrar to tax bills of costs. It also provides that a person aggrieved with the decision of the Registrar with regard to taxing of bills is entitled to apply, within fourteen days of receipt of the decision to the person presiding over the Tribunal to review the taxation.

**Clause 12 - Communication of Decisions of Tribunal**

This clause requires the Registrar to ensure decisions of the Tribunal are communicated to the parties concerned within seven days of their being made.

**Clause 13 - Frivolous or Vexatious Proceedings**

This clause empowers the Tribunal to dismiss any appeal it considers frivolous and order the appellant to pay costs to the respondent.

**Clause 14 - Immunity of Members and Staff of Tribunal**

This clause grants immunity to members and staff of the Tribunal in respect of actions or things done in good faith in the performance of their functions.

**Clause 15 - Appeal to Supreme Court**

This clause seeks that all appeals from the Tribunal shall lie to the Supreme Court and the Supreme Court may hear and determine any appeal and may refer the matter back to the Tribunal. Currently, appeals from the Tribunal lie to the High Court.

**Clause 16 - Expenses of the Tribunal**

This clause provides for how expenses and costs of the Tribunal shall be met. The expenses and costs shall be paid out of funds appropriated by Parliament for the performance of the Tribunal's functions under the Act.

### **Clause 17 - Offences**

This clause provides for general offences and sentences. A person who has been summoned to give evidence and refuses to do so commits an offence and a person called to give evidence shall not give false evidence.

### **Clause 18 - Rules**

This clause empowers the Chief Justice to make Rules by statutory instrument in relation to among other things, powers of the Registrar, and the procedure for summoning and compelling witnesses to appear before the Tribunal and procedure and rules of evidence in Tribunal proceedings.

### **Clause 19 - Regulations**

The clause empowers the Minister, by statutory instrument, to issue regulations for the better carrying out of the Act.

### **Clause 20 - Repeal of Act No 11 of 1998**

This clause provides for the repeal of the Revenue Appeals Tribunal Act, No. 11 of 1998. The repeal will not affect any appeal pending before the former Tribunal and any right or benefit accruing or liability incurred before the Revenue Appeals Tribunal shall not be lost or extinguished.

### **Clause 21 - Transitional Provisions**

This clause provides for transitional provisions which are consequential to the renaming of the Revenue Appeals Tribunal as the Tax Appeals Tribunal.

## **Submissions from Stakeholders**

8.0 A number of stakeholders submitted to the Bill and the main features of their submissions are discussed hereunder.

- i) The change in name was supported by as it was viewed as more specific and consistent with the jurisdiction of the Tribunal which only dealt with decisions in relation to tax and not any other type of revenue.
- ii) A major concern raised by stakeholders was the silence in the legislation in relation to interlocutory proceedings and grant of ancillary reliefs pending the determination of an appeal. Stakeholders submitted that the new law must be very and confer specific powers on the Tribunal to deal with interlocutory issues and grant interim relief to those whose tax assessments are on appeal.
- iii) Another concern raised by stakeholders was the composition of the circuit Tribunal which is biased towards the legal profession as opposed to a balance between legal and accounting expertise.

### **Committee's Observations and Recommendations**

8.0 Your Committee observes that the Bill intends to aptly rename the Revenue Appeals Tribunal as the Tax Appeals Tribunal. Your Committee welcomes this as renaming the Tribunal will more accurately describe its functions. The current name "Revenue Appeals Tribunal" could be construed as meaning appeals arising out of assessments or matters relating to revenue of the Republic of Zambia in general, from any source whatsoever when, in actual fact, the Revenue Appeals Tribunal only deals with appeals on assessments and matters relating to taxes.

Your Committee also observes that when an assessment is made by the Zambia Revenue Authority, the tax has to be paid upon assessment, even if it is under dispute and is appealed to the Tribunal. Depending on the amount under dispute and the time taken to resolve the matter, tax assessments have the potential to cripple an individual or a business.

**Your Committee further observes that the composition of the circuit Tribunal suggests** it can sit to hear with matters with only representation from the legal profession. Your Committee finds this situation anomalous because appeals to the Tribunal do not only involve legal issues but also tax computation issues.

Arising out of the above, your Committee wishes to make the following specific recommendations outlined below.

- i) Under Clause 2, the definition of “associate” should include the employer of a member.
- ii) Under Clause 8 a new subsection under Clause 8 should give powers to the Chairperson and the Vice-Chairperson to deal with interlocutory applications which may include application for stay of execution and enforcement of tax assessments pending the determination of the appeal before the Tribunal and subject to such terms and conditions that may be deemed to be appropriate.
- iii) Clause 8 (2) should state who shall preside over the sitting of the Tribunal in the absence of the Chairperson or the Vice Chairperson.
- iv) Clause 8 (5) should be amended to read: *‘Three members of the Tribunal shall constitute a circuit Tribunal, which shall include either the Chairperson or the Vice-Chairperson and another member who is a legal practitioner.’*

In recommending that the House supports the Bill, Your Committee wishes to point out that tax assessments must be done fairly and consistently and urges the Zambia Revenue Authority to ensure that in as much as it is collecting revenue for the Treasury, it must apply full impartiality.

## **Conclusion**

9.0 Your Committee wishes to express its gratitude to all stakeholders who appeared before it and tendered both oral and written submissions; and to thank you, Mr Speaker, for affording it an opportunity to scrutinise the Bill. Your Committee also appreciates the services rendered by the

Office of the Clerk of the National Assembly and the permanent witnesses from the Ministry of Justice.

We have the Honour to be, Sir, your Committee on Economic Affairs, Energy and Labour mandated to consider the Parliamentary Service Bill N.A.B. No. 4 of 2016 for the Fifth Session of the Eleventh National Assembly.
