

VALUE PROPOSITION OF THE RESEARCH DEPARTMENT

Mission Statement

To provide readily processed and factual information and different subjects to Members of Parliament and the National Assembly

Vision

To develop and sustain a nationally and internationally recognised as well as integrated parliamentary research service that will provide the strategic and highest quality research support to the National Assembly and Members of Parliament in an efficient, effective and non-partisan manner

Supporting
MPs for over
51
years

The Research Department provides information that enables Members of Parliament to:

-  **Enact laws**
-  **Influence debate on policy and legislation in the Chamber**
-  **Initiate Private Members' Motions**
-  **Scrutinise Government policy and legislation in Committees**
-  **Representing their constituencies effectively**

Primary clientele

Parliamentarians with very schedules and limited time

HOW DO WE DO IT

source for reliable and high-quality information
summarise and customise information to Members' needs
ensure the information is accurate, adequate and timely
save time for Parliamentarians
